SIR:

This corrective letter is prompted by review of this file by undersigned counsel respecting submission by facsimile on 26 June 2003 of a letter erroneously addressing a paper bearing a mailing date of 20 June 2003 regarding the above-referenced United States patent application.

The 26 June 2003 letter from undersigned counsel **should have said** that the paper received by undersigned counsel from the United States Patent and Trademark Office and bearing a mailing date of 20 June 2003 addressed a submission mailed by undersigned counsel for the applicant on 27 May 2003 and received by the United States Patent and Trademark Office on 29 May 2003.

Regrettably, the 26 June 2003 letter from undersigned counsel erroneously said that the paper received by undersigned counsel from the United States Patent and Trademark Office and bearing a mailing date of 20 June 2003 addressed a submission made by

undersigned counsel for the applicant dated 11 June 2003 and a second submission made by counsel for the application on 17 June 2003. This was incorrect.

Applicant's counsel notes for the clarity of the record that two submissions have been made on behalf of applicant since the submission dated 27 May and received by the Office on 29 May. These are the submission dated 11 June 2003 and the submission filed by express mail on 17 June 2003.

Applicant's counsel further notes for the clarity of the record that applicant's counsel has not, to date, received any paper from the United States Patent and Trademark Office addressing either the submission dated 11 June 2003 or the submission filed by express mail on 17 June 2003.

We respectfully solicit prompt and careful consideration of the submission dated 11 June 2003 and the submission filed by express mail on 17 June 2003.

We regret any inconvenience to the examiner or any confusion caused by the incorrect reference in the facsimile letter of 26 June 2003.

Respectfully submitted,

Charles N. Quinn, Esq.
